

**PSC 336**  
**Money and Politics**  
**Reading Questions for February 20**

No reading. Our guest will be [Cydney Johnson](#), SU Vice President of Community Engagement and Government Relations. In that function, part of what she oversees are the lobbying efforts by the university (see [here](#) for an overview of SU's federal lobbying, and [here](#) is information about SU's lobbying at the state level). She is also a registered lobbyist in New York State herself.

Think about at least two questions that you would like to ask her.

Don't write the questions into your class journal. Instead, submit them here:  
<http://tinyurl.com/3dnbk9ww>.

Answers are due by the start of class, but it would be great if you can submit them earlier so I have a chance to read through them before class.
