Class Journal Questions:

There is no new entry due for this class. Please still bring your journal, as we will randomly collect some and look at your older entries.

*After* watching the movie in class, briefly answer the following questions:

- What is the movie about? Briefly summarize what you think its main story is.
- What do you think about the approach of AAP/Kejriwal to fight corruption? Is it an effective approach, or would a different strategy have been better?
- What lessons (positive or negative) does the story of the AAP have for anti-corruption movements elsewhere?
