

PSC 336
Money and Politics
Reading Questions for April 2

Reading: Fisman and Golden, Chapter 4.

Class Journal Questions:

In your own words, briefly summarize the evidence about the consequences of corruption for:

- economic growth and business regulation
- worker welfare
- economic inequality
- trust in government
- the environment

In addition, don't forget to answer the questions for March 28 (movie reflection).

Answers are due in your class journal by the start of class.
